Sotogrande Alto

5	5	3859	613
BEDROOMS	BATHROOMS	PLOT	BUILT

Designed by Enrique Johansson, it is a modern open-plan house, designed on two levels, located on the first line of the Almenara golf course, also with views of the San Roque golf course.

Mediterranean Sea between pine forests.

White walls where bougainvilleas, orange blossoms and cypresses stand out.

Great privacy as you slide down the slope through a hibiscus tunnel.

Its interior flows with the intoxicating light of Andalusia, dotted with beautiful works of modern art, and colorful and soft details.

Spacious and open dining room with height creates a relaxed atmosphere throughout the room.

Great professional kitchen.

The 5 rooms are spacious and have en-suite bathrooms.

A privileged place to enjoy family and friends.

Sotogrande awaits you, #feelhomesotogrande
