Enjoy the sea from every corner of your home, letting yourself be caressed by the Andalusian sun throughout the year in this spectacular villa created for your senses.

Spacious rooms, with open plan kitchen and living rooms attached to the large covered terrace.

Hall and living room at two heights, create an environment of incredible light and spaciousness.

Distributed on three levels, at the street level we access the entrance garden, hall, living room next to the kitchen, guest toilet and terraces. Also the master bedroom with its en suite bathroom is on this level.

The first floor has two bedrooms with shared bathroom, and a bright office with bathroom.

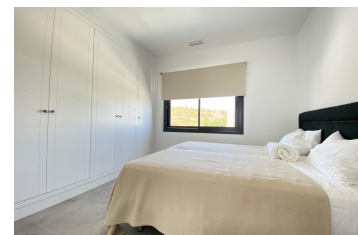

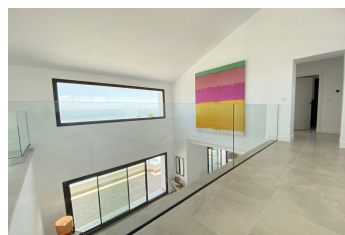

On the pool and garden level we find a large TV room, laundry room, garage, sauna and another bedroom with bathroom.

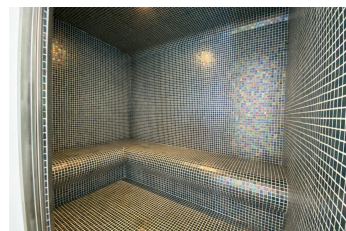

Next to the garden there is a large GYM.

It is a privilege to be able to rent this charming villa, ideal for a family that plans to live during the school season at the International School of Sotogrande.

Located 10 minutes from the school, and next to golf courses, the beach, riding clubs, tennis or paddle tennis.
