Some places are simply designed for a holiday... while others become part of the memories you carry long after summer ends. This charming penthouse located on the exclusive Paseo del Mar in Sotogrande belongs to the latter — a bright, intimate and elegant retreat where the Mediterranean sets the pace of each day.

From the very first moment, the property conveys a unique sense of calm and authenticity. Natural light gently fills every room, creating warm and inviting interiors designed for relaxation and effortless living. The carefully curated décor combines Mediterranean charm with contemporary comfort, resulting in spaces that feel both sophisticated and welcoming — a true home by the sea.

The true heart of the penthouse is its beautiful private terrace. An open-air sanctuary under the Sotogrande sky, perfect for slow breakfasts with the sea breeze, long summer lunches or peaceful evenings beneath the stars.

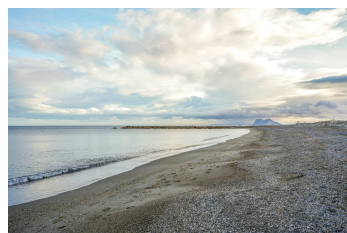

Here, time seems to slow down between the nearby sound of the Mediterranean and the serenity of one of southern Spain's most exclusive coastal settings.

The location is exceptional. Just a short walk from the beach and very close to Sotogrande Marina, the property allows guests to fully embrace the relaxed yet refined lifestyle that defines the area. Mornings can begin with a walk along the shoreline, followed by golf, sailing or polo, before ending with sunset dinners at elegant restaurants and beach clubs overlooking the marina.

During the summer season, Sotogrande becomes one of the most desirable destinations in southern Europe. Its international atmosphere, beautiful beaches, world-class golf courses and the renowned tournaments of the Santa María Polo Club create a lifestyle where sophistication and Mediterranean ease blend naturally together.

This penthouse has been designed for guests who appreciate life's simple luxuries: the golden evening light entering through the terrace, a quiet coffee at sunrise, warm summer nights after the beach, or the feeling of complete disconnection by the sea.

More than a holiday rental, this property offers a way of experiencing Sotogrande from within — elegant, relaxed and deeply connected to the Mediterranean way of life. A refined coastal escape where every stay becomes warm, memorable and truly unforgettable..
