Live in an ideal place with impressive views of the sea. The apartment offers you a unique location: just 50 meters from the beach!
Available for short term.

2-bedroom apartments with large terraces, 2 swimming pools and underground parking included in the price. Impressive views of the sea, designed to live with all the comforts of an exclusive urbanization surrounded by golf courses, restaurants and other services to enjoy all year round.

First class furniture and equipment.

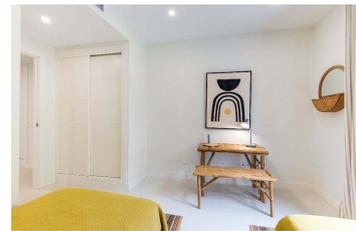

Bathrooms with premium qualities. White doors.

Rooms with large windows that illuminate the entire room, with access to large terraces facing the sea.

Beautifully designed kitchens with clean lines leading to the living room. A unique combination of design and sustainability.

Spacious, facing the sea and equipped with everything you need: 2 outdoor pools and garden areas to relax. The common areas have been designed so that you can enjoy them without giving up your privacy. We know how important it is to share your free time with your loved ones.

A few minutes from the ports of La Duquesa and Sotogrande.
