Discover a truly unique property on the Mediterranean coast. Located in the tranquil area of Punta Chullera, between Sotogrande and Marbella, this spectacular private villa offers an exceptional setting for those seeking privacy, spaciousness, and simply unforgettable sea views.

With over 1,200 m² of living space, the property is divided into three independent residences, making it ideal for international families, groups of friends, or guests involved in polo and other sports who wish to share a stay

while maintaining their own space and privacy.

The main house features four elegant en-suite bedrooms, spacious living areas, and direct access to panoramic terraces overlooking the Mediterranean. The two completely independent guest houses each offer two en-suite bedrooms, creating a total of eight bedrooms and eight full bathrooms, plus two additional guest toilets.

The exteriors have been designed to fully enjoy the Mediterranean lifestyle. The property boasts a stunning infinity pool with sweeping sea views, complete with a poolside bar, perfect for relaxing afternoons or social gatherings. A second outdoor bar and a covered, glass-enclosed space overlooking the Mediterranean create the ideal setting for celebrations, dinners, or private meetings year-round.

The expansive panoramic terraces and generous gardens allow you to enjoy every corner of the coastal landscape, while the outdoor parking area with space for several vehicles ensures convenience for all guests.

The villa is delivered fully furnished, ready to move in and enjoy from day one.

Its location is strategic: just 1 km from the sea (walking), 10 minutes from Sotogrande, internationally renowned for its golf courses and polo clubs, and 30 minutes from Marbella, with its vibrant culinary, nautical, and leisure scene.

This property is designed for those who value space, privacy, and the natural beauty of the Mediterranean, perfect for extended stays or enjoying the summer in an exclusive setting.

Available for long-term rental.
Possibility of renting in July and August (conditions to be consulted).
