Welcome to Village Verde! This ground floor apartment with garden is the perfect opportunity to enjoy luxury living in a stunning natural setting. Designed by Architects L35, the property is integrated into the cork oak and pine forest, which guarantees a unique experience in contact with nature.

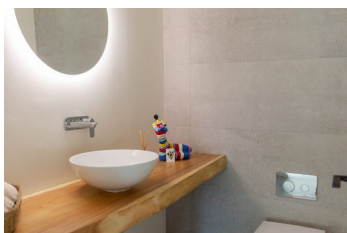

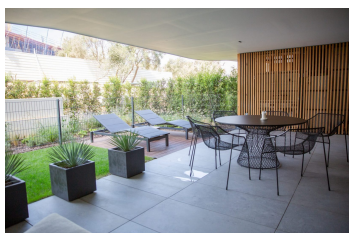

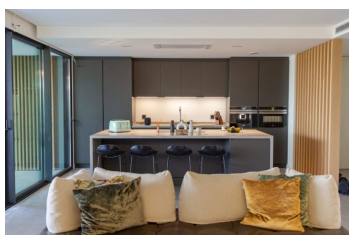

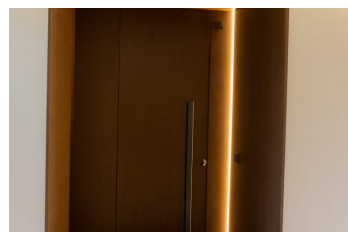

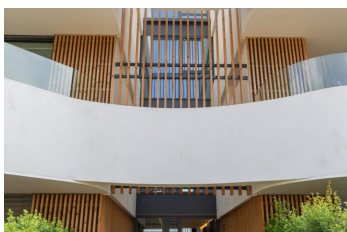

High quality finishes are a hallmark of this apartment. The Bulthaup kitchen, Siemens appliances, Villeroy & Boch tableware and Butech and Hansgröhe bathroom accessories are just a few examples. In addition, the Italian design of Catellan and Desiree adds a touch of elegance and sophistication.

The apartment has two bedrooms and two en-suite bathrooms, as well as a guest toilet. The spacious and bright kitchen is open to the living room and the terrace, allowing you to enjoy a spectacular view while cooking or resting.

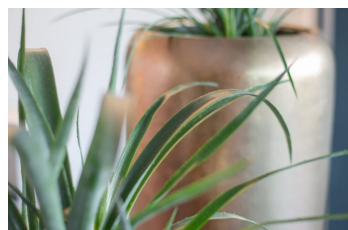

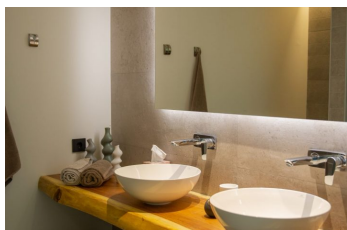

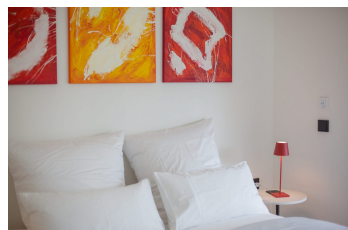

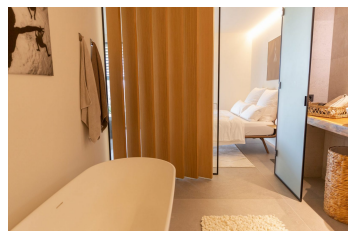

The Concierge service is available to residents, who can also enjoy exclusive discounts at The Beach, restaurants and Club de Golf La Reserva. The apartment has two large parking spaces and a storage room.

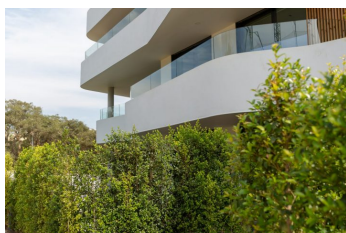

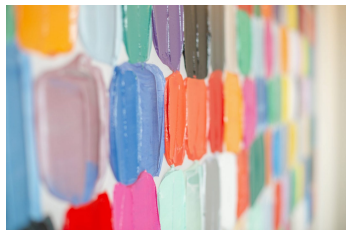

The facilities and amenities of the complex are impressive: croquet field, forest running track, children's play parks, recreation terraces, community coworking space, two outdoor swimming pools, one open all year, and a sandy beach under the shade of the cork oaks. Phase II includes a gym, spa, multi-purpose terraces, outdoor gym area and putting green area.
